Perhaps the most valuable result of all education is the ability to make yourself do the thing you have to do, whether you like it or not; it is the first lesson that ought to be learned; and however early a man's training begins, it is probably the last lesson he learns thoroughly.

Thomas Huxley

I try not to worry
But I bite my nails
I try to act happy
But the illusion fails
I try to appear confident
But my insecurity shows
I hide behind a veil of serenity
So nobody knows
I cover my apprehension
With the cloak of a smile
Then change my personality
To suit another's style
I want to look inside
But am afraid of what I may find
Suppose my individuality
Exists only in my mind.

Perry Futral

I am the people, the mob — the crowd — the mass.
Do you know that all the great work of the world's done through me?

Carl Sandburg

Focus your Attention,
your Thoughts,
your Mind,

on the Necessary.

We need some imaginative stimulus; some not impossible ideal such as may shape vague hope, and transform it into effective desire to carry us year after year, without disgust, through the routine work which is so large a part of life.

Walter Pater

A night photograph of a road. In the distance, a fire truck with its red and white lights on is driving towards the viewer. The road is illuminated by streetlights, and the sky is dark. The text is overlaid on the lower left portion of the image.

This is Book Two of a two part
yearbook. Book I and Book II deal with
life. Book I deals with that which is
necessary; Book II deals with the

FALL

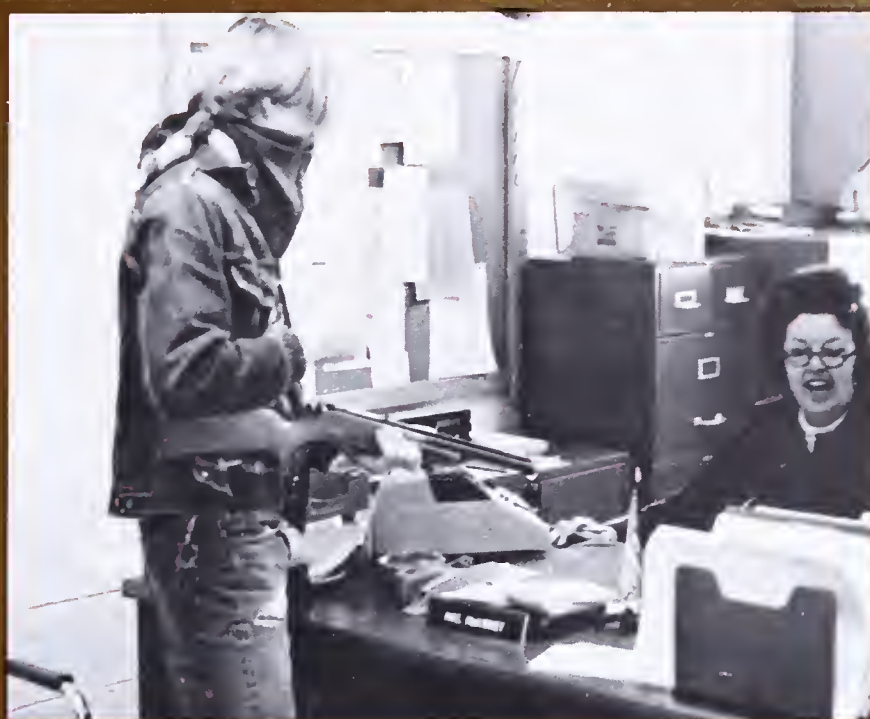

Seeing familiar faces . . . opening empty, clean deserted lockers . . . stumbling around in the early morning . . . settling down to homework . . . filling out blank, staring forms . . . getting pictures taken with fading tans . . . **School has begun once more** with its shrill, insistant bells, academic demands, and the opportunity to make or renew friendships.

From the pie-eating contest and rolling piano to the last chords of Murry Spoons, **Homecoming 1973**, coordinated by Ms. Ohlsson, was a great success. During the eventful Spirit Week, Indian squaws, cowboys and goldminers wandered through brightly decorated halls; and the front office was robbed while shoot-outs occurred throughout the school. Many people attended the Pep Rally and square dance on Friday. At the parade, covered wagons, saloons and horses advanced the **theme of the "Wild West."** The victory of the football team crowned an extremely enjoyable week.

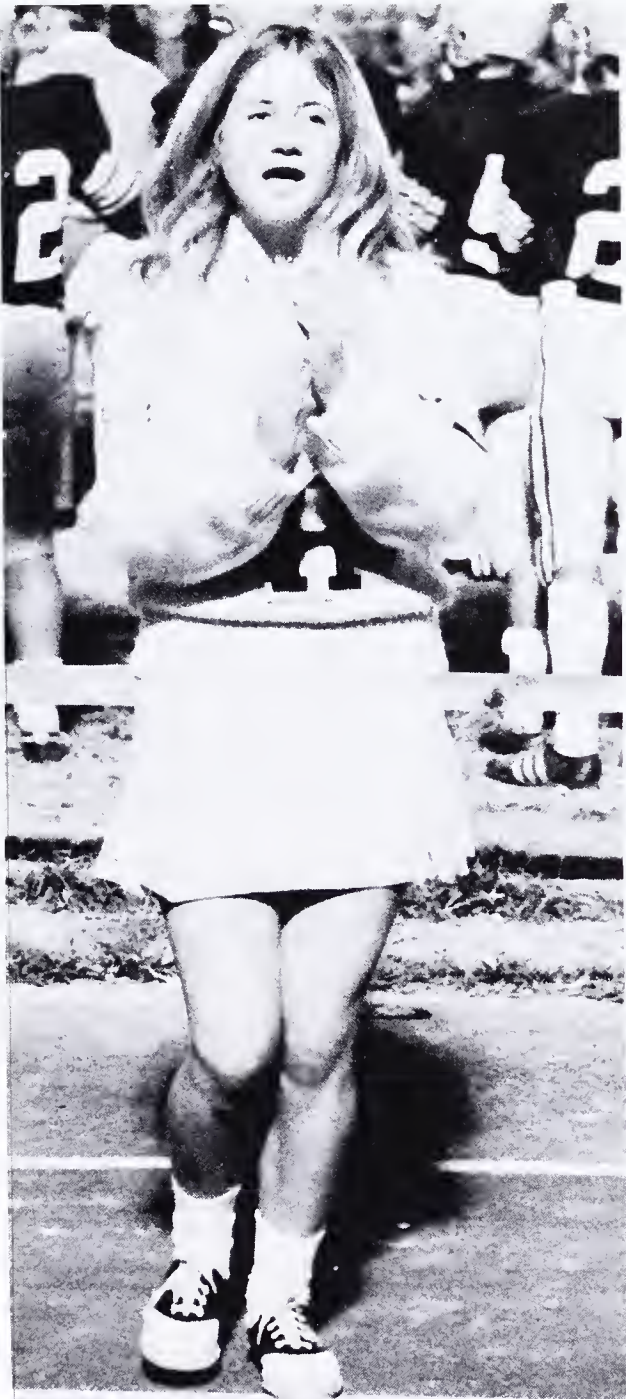

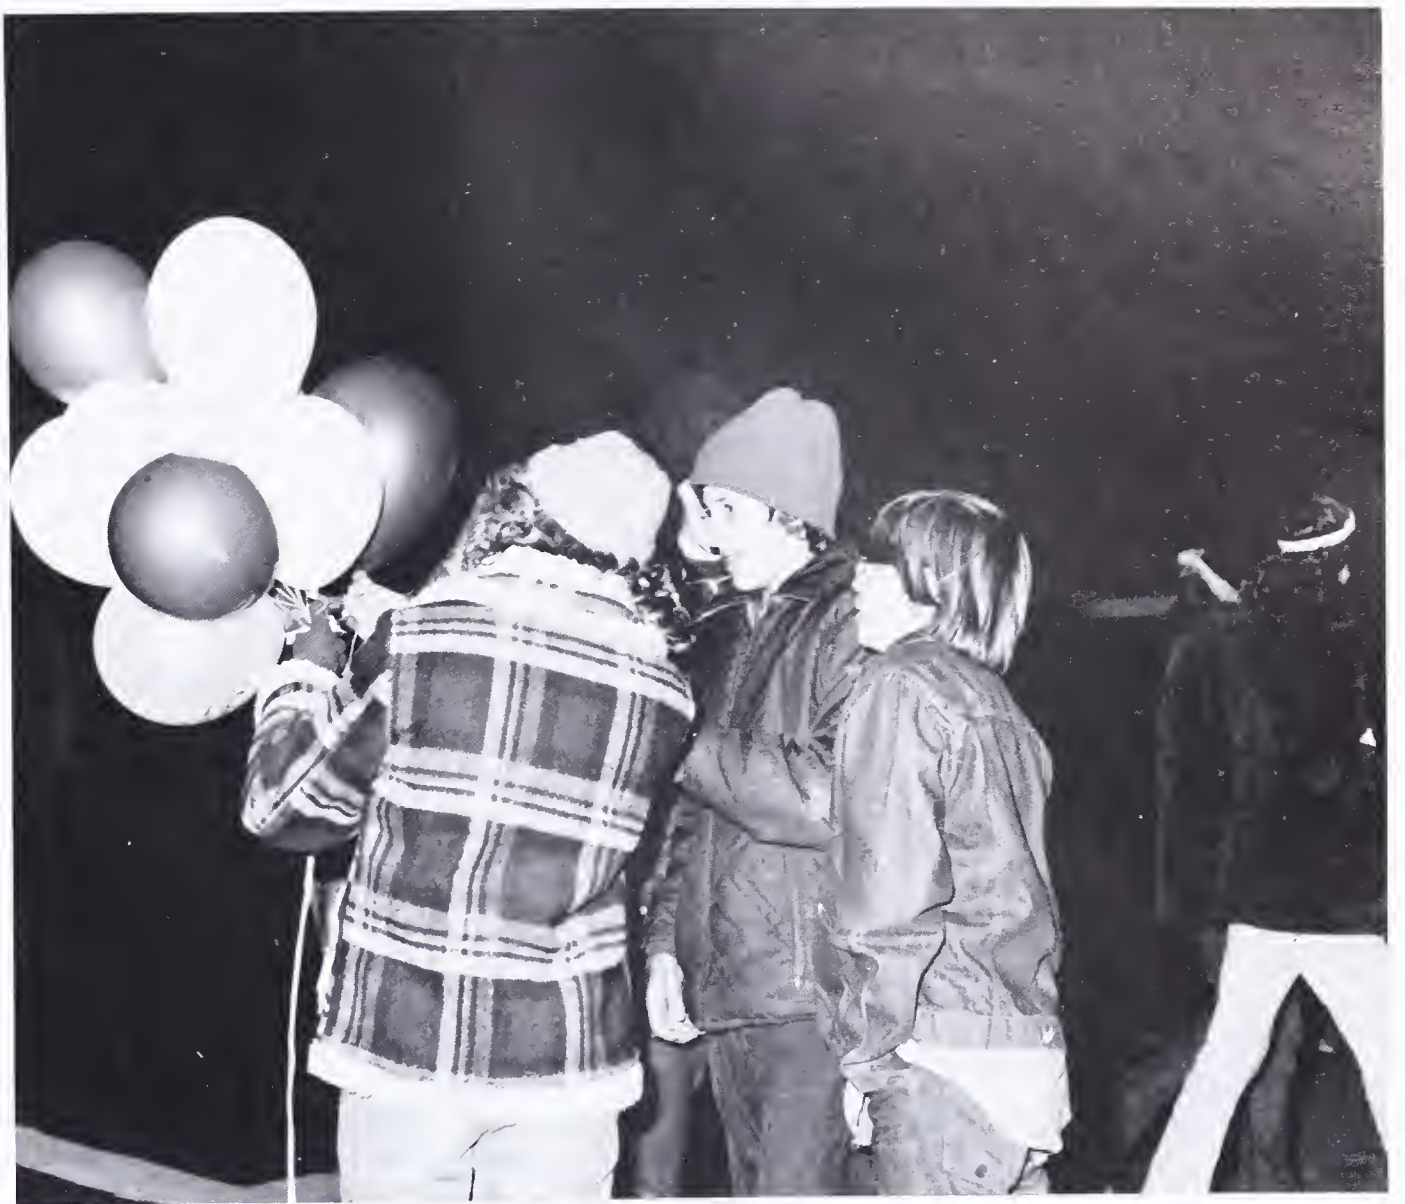

Horses, portable saloons, and other relics of our **"Wild West"** past were the memorable products of a lot of hard work, long hours, and artistic talent . . . with the first prize going to the Senior Class Float **"Covered Wagon."**

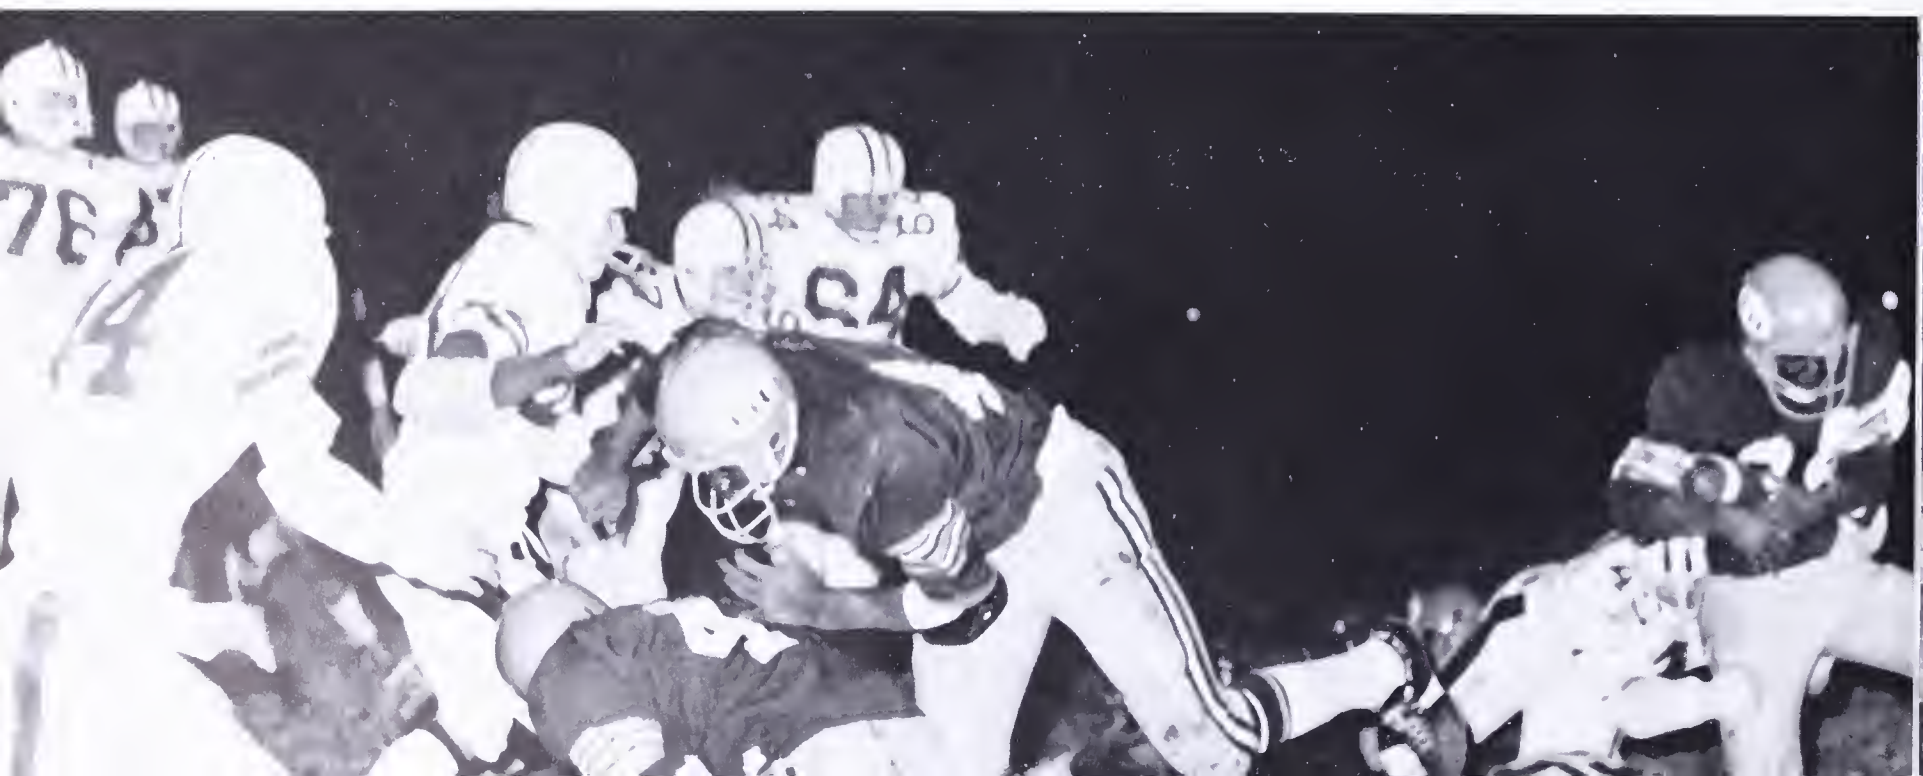

The **Fort Hunt Varsity football team** had visions of capturing the Gunston District Championship for the third time in three years. Strengthened by a nucleus of experienced players, the hopes became closer to reality after a hard-fought tie with T.C. Williams in the opening game. **Smashing victories** over Hayfield and Groveton encouraged school spirit and team unification. Even temporary setbacks were unable to bring down the **fighting Federals**. Determination, skill and dedication paved the way to **sole possession of the 1973 Gunston District title**.

Less glorified, but also very successful, the J.V. and Freshman football teams brought promises of equally fine varsity teams in the years to come. The **Freshman football team was never even scored upon!**

Grueling hours of drills, practices, and pressures lead up to . . .

The **excitementandtension** of the moment when the quarterback passes, a player runs out ahead of the mass and . . . (will he make it?) . . .

Rosewood Sky

An original **blend of folk, country, and rock music**, and an electric violin attracted a large audience to the Rosewood Sky Concert, sponsored by the Senior Class.

Wake Up . . . WAKE UP!!!

The **FHA inductions** were unique this year, as they were held at the Belle Haven Park, early in the morning — with new members in pajamas.

In a traditional candlelight ceremony with a speaker from the House of Delegates, **Hi-Y** inducted new members this fall at the St. Lukes church.

Junior-Senior Basketball

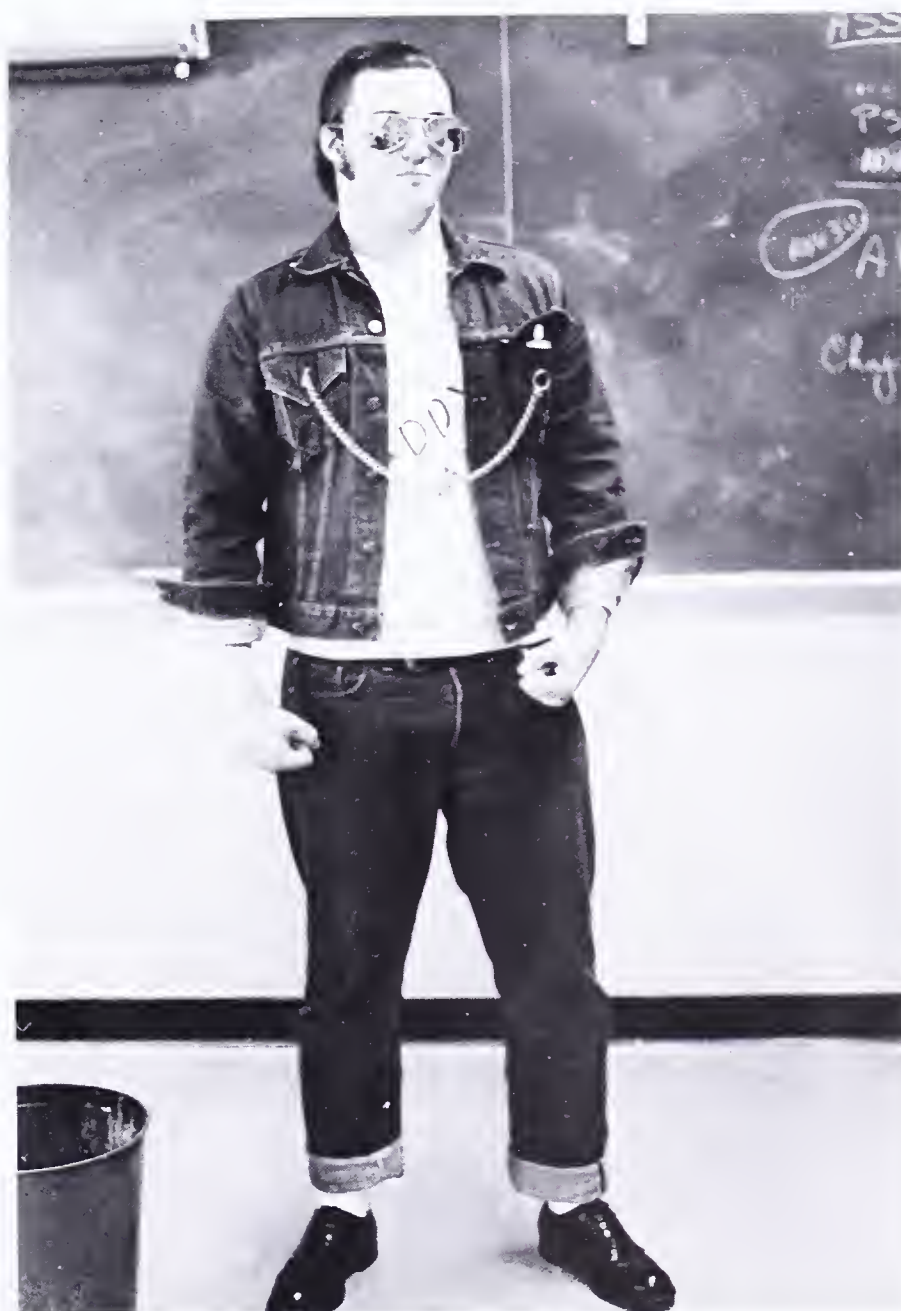

The current 50's fad drew large crowds of Fort Hunt Students to a concert sponsored by the Junior Class featuring **THE GREAT PRETENDERS**. Living up to their name, the performance was like a very effective dubbed-in movie. The music was previously recorded, but convincingly acted out. The audience danced in the aisles as a **nostalgic and friendly** atmosphere filled the auditorium.

THE GREAT PRETENDERS

Oh, Yes, I'm the Great Pretender
 Pretending that you're still around
 I seem to be
 But I'm not you see
 I'm wearing my heart like a crown
 Pretending that you're still around.

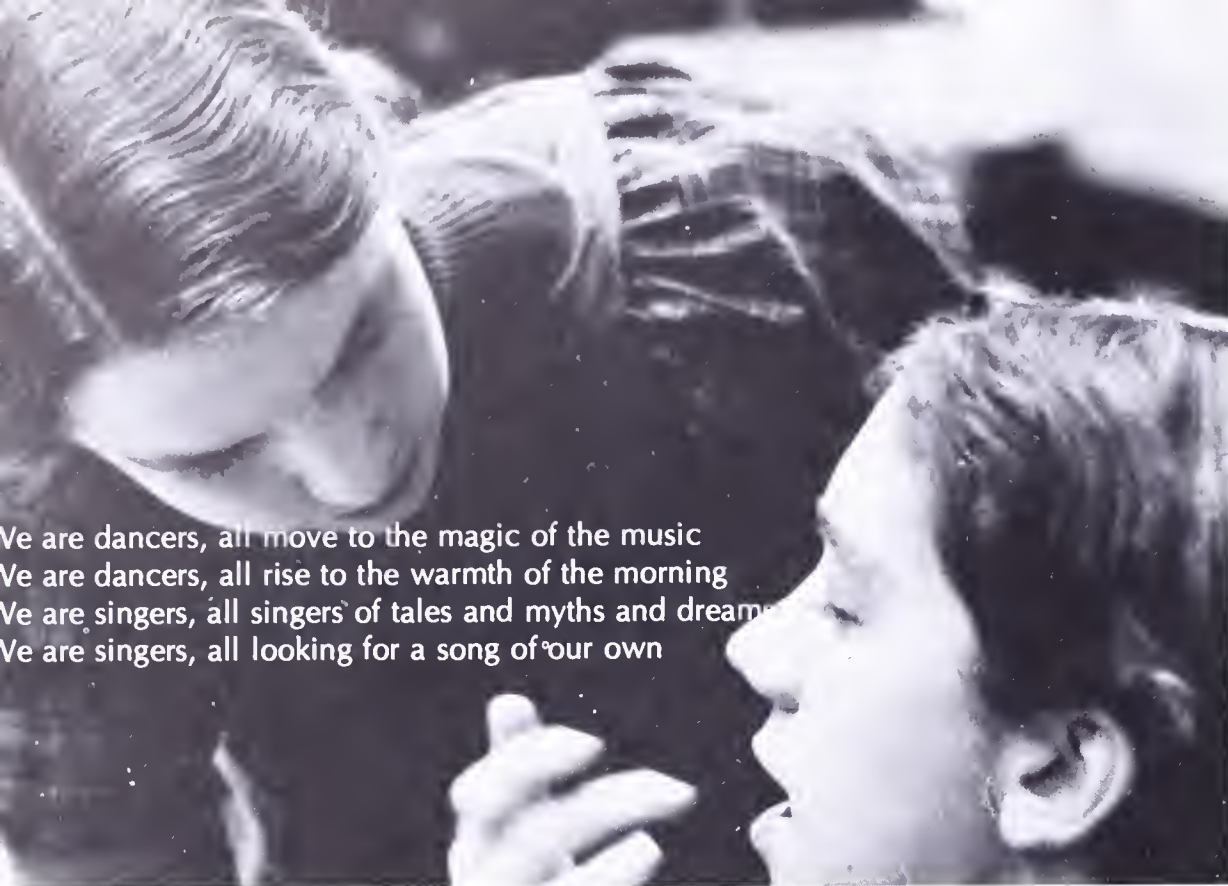

Winter Choral Concert

The Fort Hunt Choral Groups sang winter music in a beautiful performance. The program was highlighted by a presentation of **Handel's Messiah** with Orchestral accompaniment.

We are dancers, all move to the magic of the music
 We are dancers, all rise to the warmth of the morning
 We are singers, all singers of tales and myths and dream
 We are singers, all looking for a song of our own

No, No Nanette . . . the new 1925 musical

"No, No Nanette"

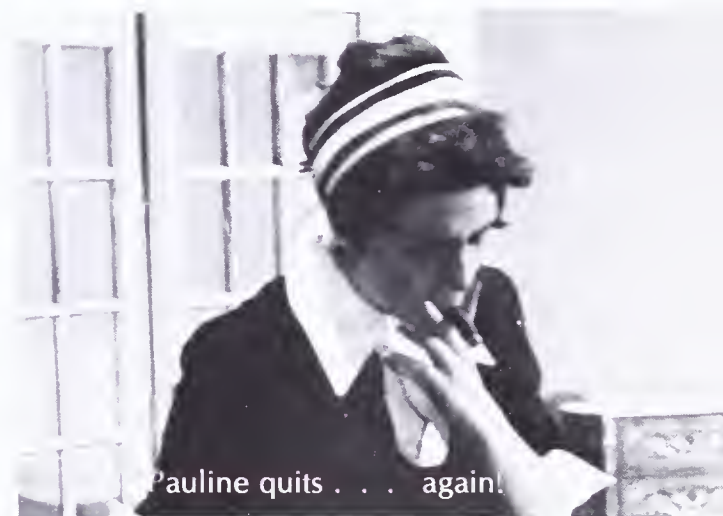

"The Three Happies"

"Where Has My Hubby Gone-Blues"

"I Want To Be Happy"

Pauline quits . . . again!

"Peach on the Beach"

No, No Nanette, the combined effort of the band, orchestra, choral and drama departments **packed the auditorium with nostalgia-seekers.** The stage vibrated with singing and dancing, vintage 1925, and the audience applauded freely following each act. Even the people who had to stand didn't seem to mind — and everyone left humming or tapping . . . Tea for Two . . . I Want To Be Happy

The Latin club sponsored a banquet with all the luxuries and atmosphere of a Roman feast. Slaves were auctioned, Roman games played, and good food was savored by the large number of students who attended . . . in TOGA.

Cave Club

Traveling to caves in West Virginia and Virginia, **the Cave Club has been extremely active this year.** On expeditions members explore caves, take pictures, and show their concern for conservation. Formations grow very slowly and ecological preservation is essential if people are to enjoy and appreciate their environment.

Black History Week has traditionally helped to increase everyone's awareness of the accomplishments that Blacks have made, and the great men that inspired action and earned respect.

Service Clubs

Membership in a **service club** includes **involvement in a wide variety of activities** from doughnut sales to handing out nickels at lunch, but to most it means much more. It provides an opportunity to make friends and have fun, and most of all, it provides a chance to improve your school while improving yourself.

The Academy of Science took a field trip to visit the Vulcanology and Petrology departments of the Smithsonian Institution in Washington D.C.

Crew Dinner

The crew club dinner was mainly an orientation to introduce the new members of the club, as well as bring the old members together again. Plans for raising money were discussed, with Mr. Schelhorn, president of the parents' Booster Club, leading the discussions. The crew club hopes to purchase a new eight man shell with the money they plan to raise.

Caps and Gowns

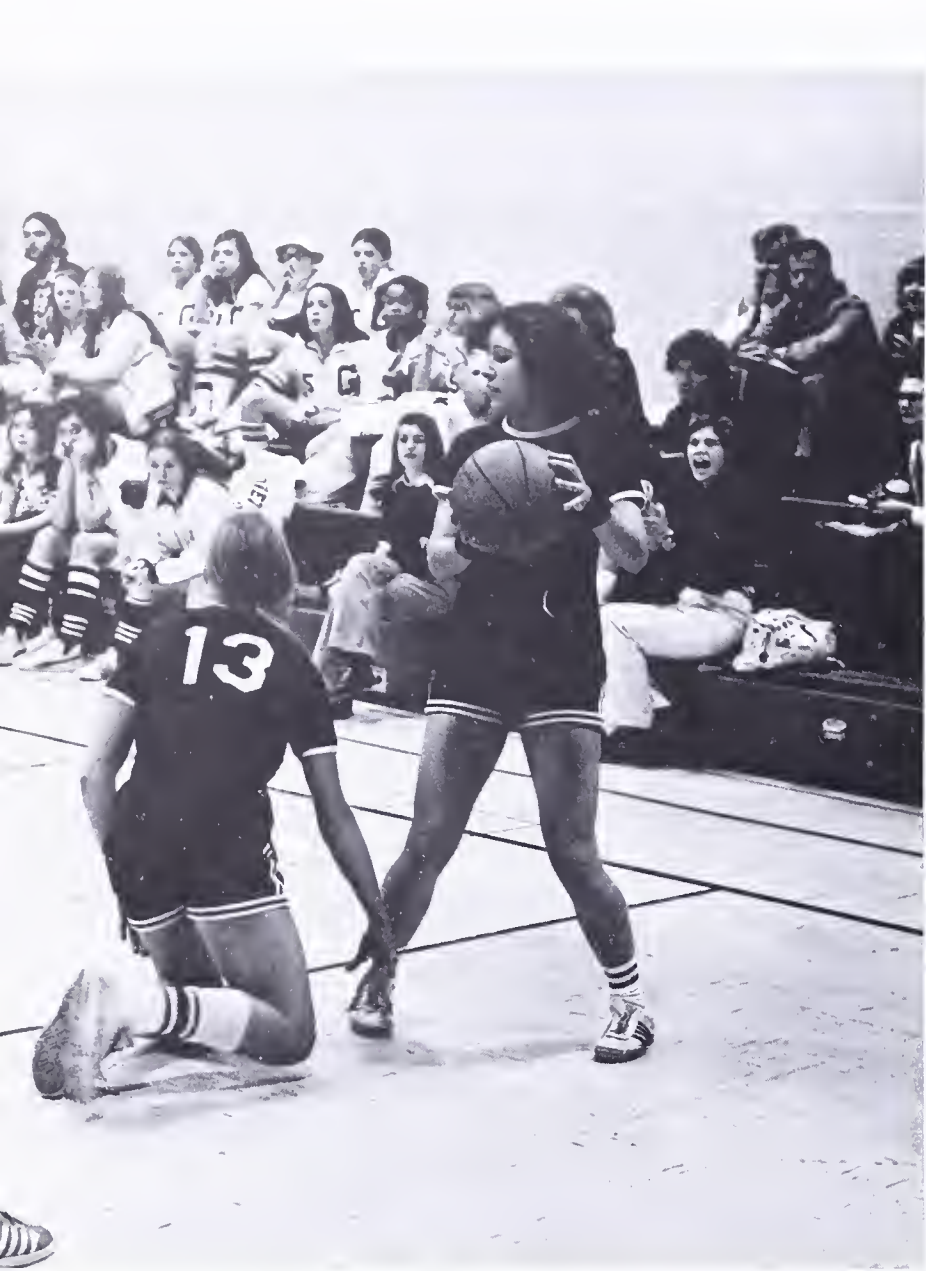

Heads were measured for **caps**, and **gown** sizes were determined as **graduation came one step closer**. Seniors were informed, amid a chorus of "BOO'S", that school had been extended to conform with county policy and to accommodate the faculty. As always, class was waiting and the gathering dissolved as students filed back to class.

The girls varsity basketball season was somewhat disappointing, but understandably so, because several of the starting players sat out the second half of the season with a variety of broken bones. The team was also hindered by postponed and cancelled games. But the girls themselves were optimistic and saw it as a **“building season”**.

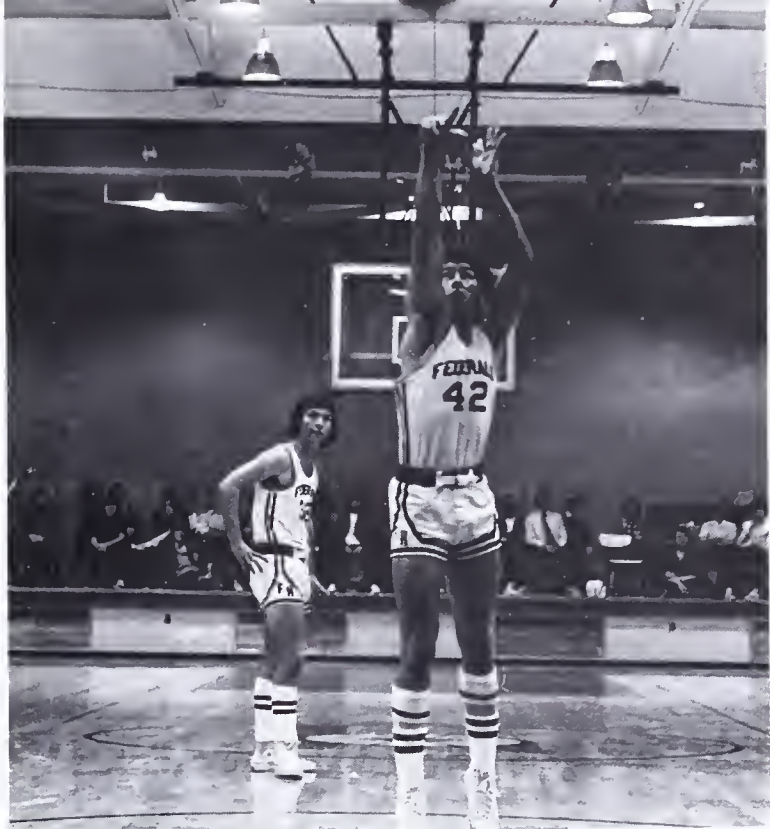

Basketball

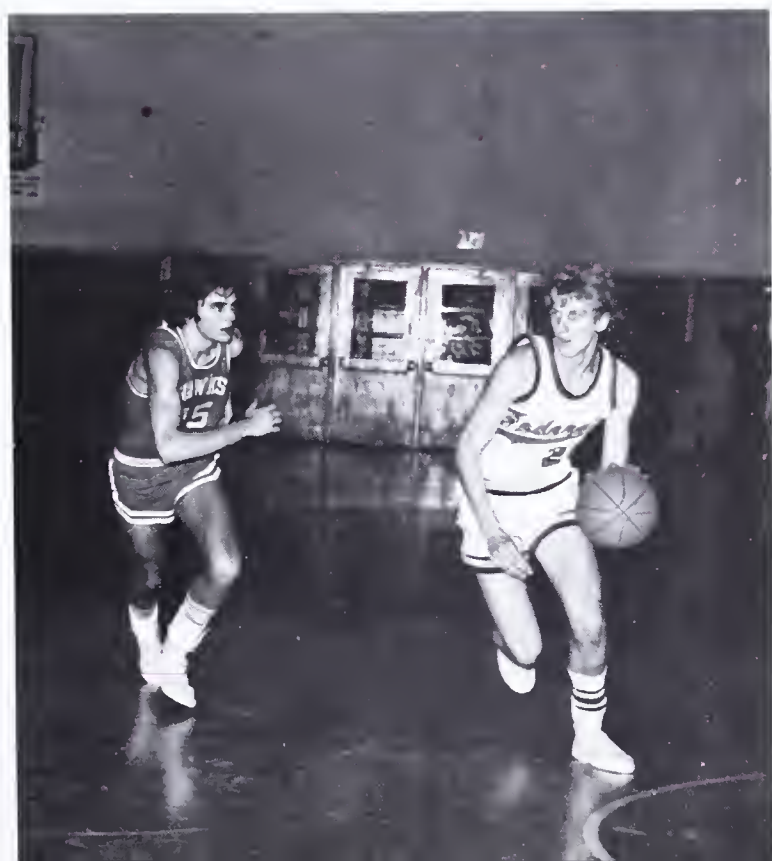

Basketball

This year's varsity basketball team, under the fine coaching of Mr. Efthymes, failed to achieve a winning record but **gained some valuable experience**. Their record does not show the quality or determination of the team, which was built around many fine players. The team is looking forward to more successful seasons in the future, and expects to have a number of returning lettermen next year.

Wrestling

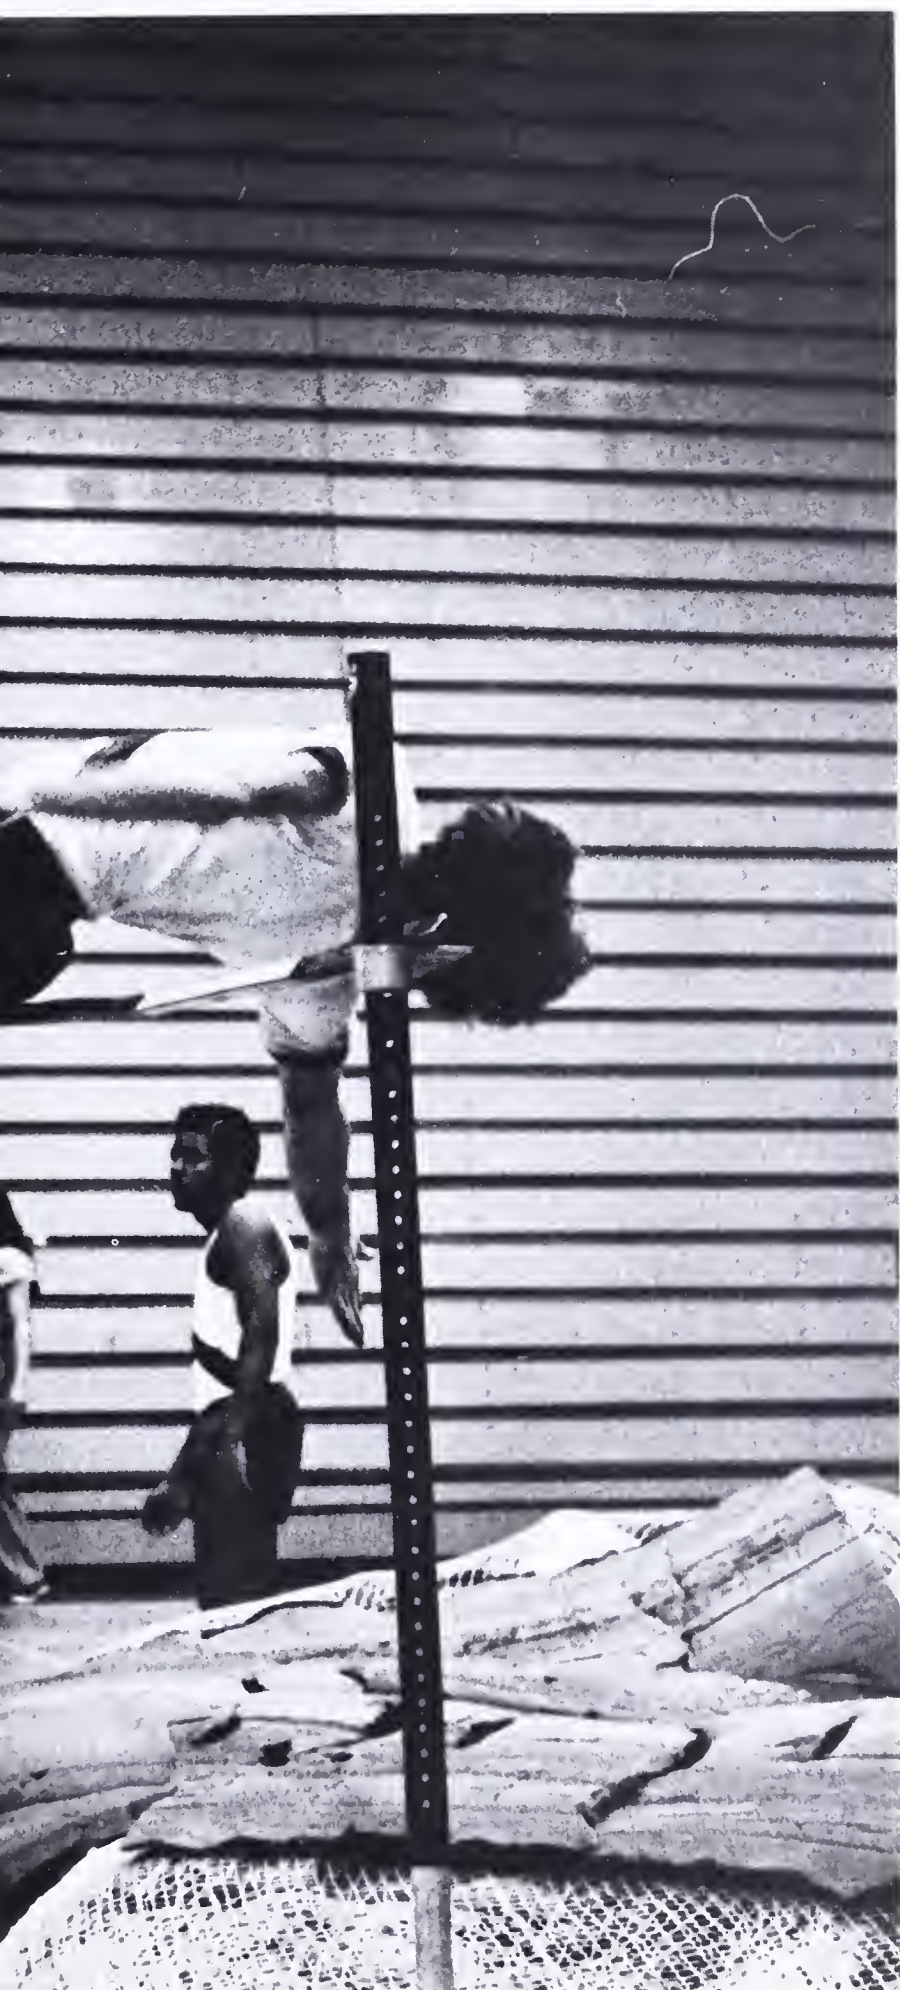

Many fine performances have contributed to make **the Fort Hunt Varsity Wrestling Team** a great competitor in the Gunston District. Losing weight and hours of exhausting practice were rewarded by many victories. Particularly outstanding on the district level were Fred Hollick and Ross Herbertson, who won first place trophies; Spencer Jackson, second place; Sam Wheeler, third place; and David Rew, fourth place. Fred Hollick was awarded the Coaches award for Outstanding Wrestler.

Winter Track

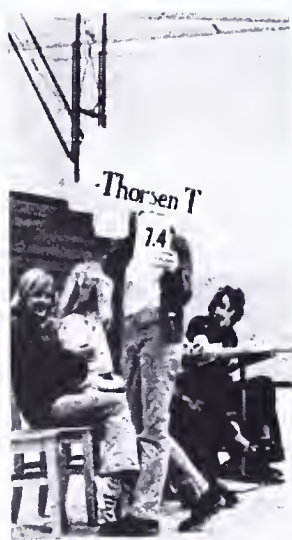

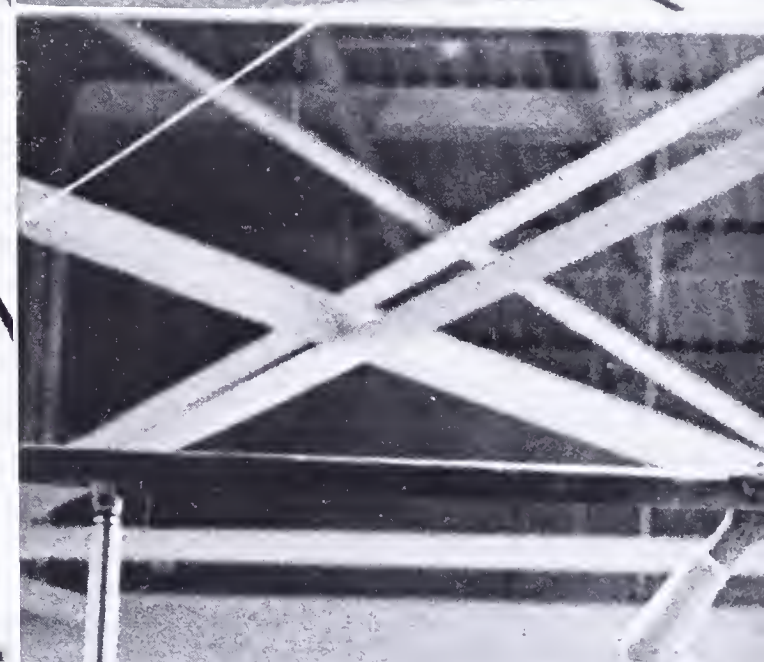

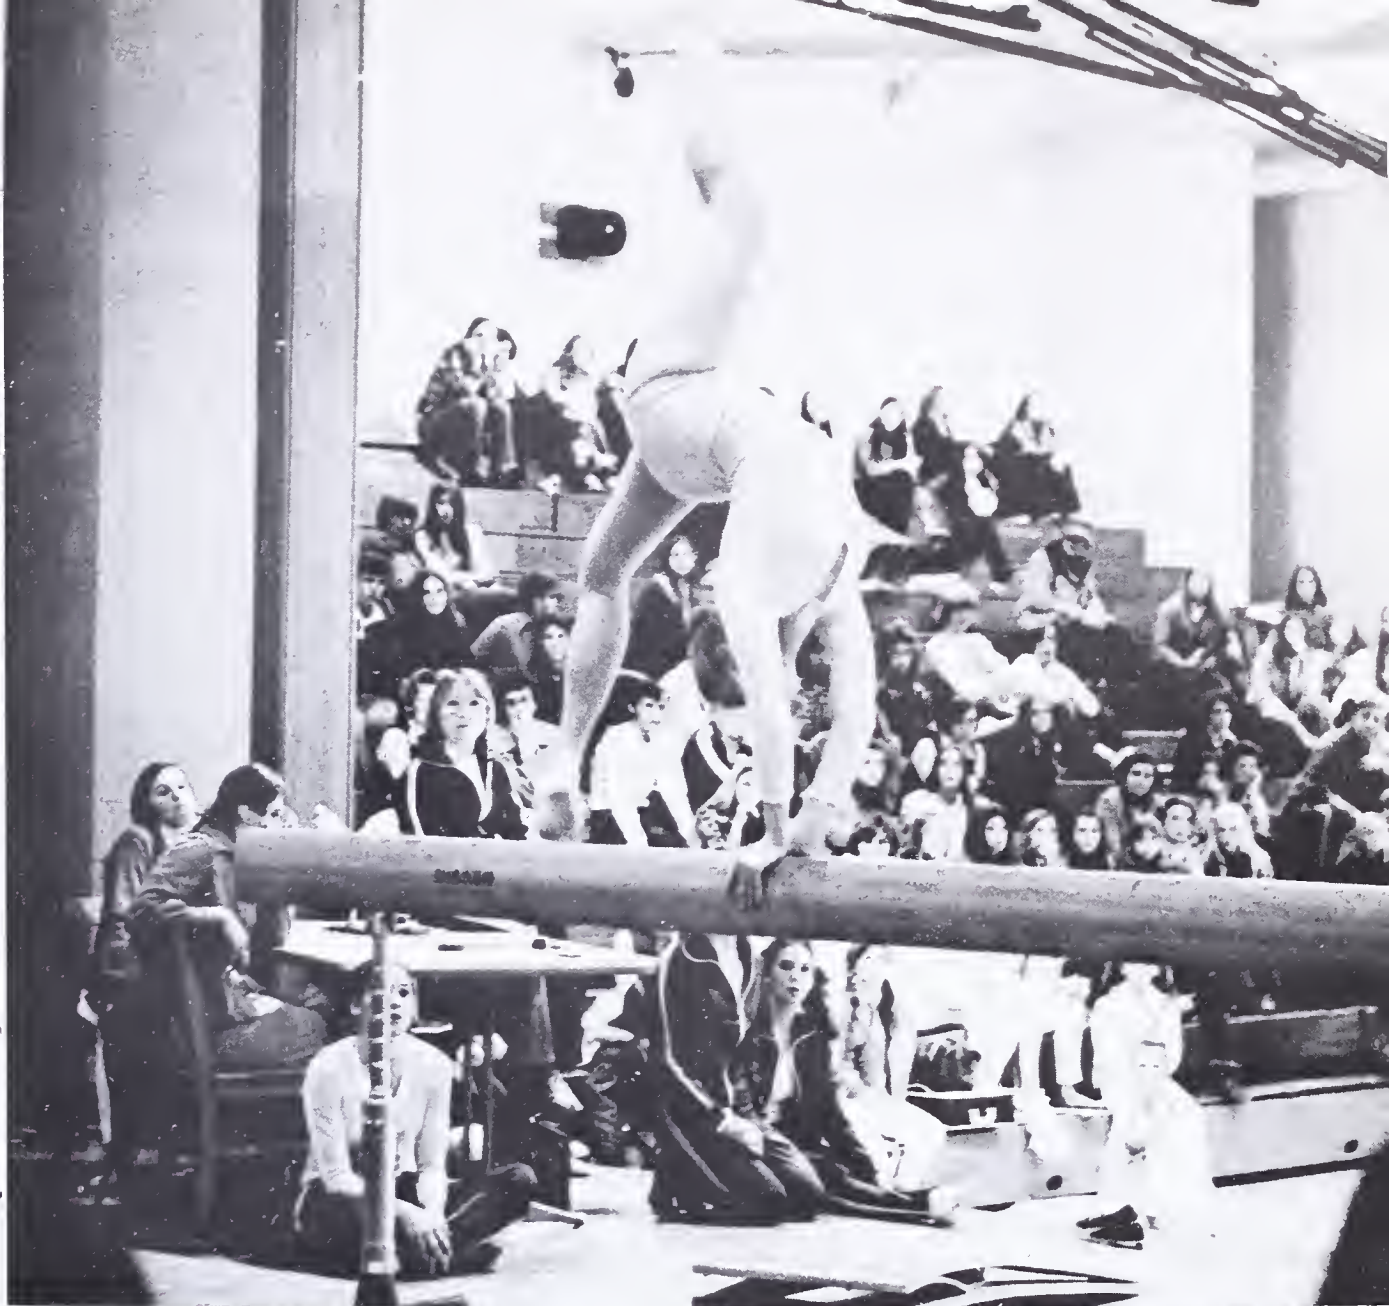

Excelling in every way, **the winter track team compiled an outstanding record.** Mike Allen and Bob Clark exhibited the talent and determination which characterized this year's team. With excellent coaching, Fort Hunt can look forward to equally fine track teams for quite a while.

Gymnastics

The gymnastics team, under the direction of Karen Ruder, has been anything but disappointing. With a **successful blend of talent, leadership, and determination** the closely-knit team is formidable and very impressive. Co-captains Kathy Fitzgerald and Renee Gehrig, and trainer Tom O'Rourke have greatly contributed to the gymnastic team's achievements.
